INVOICE LIST

The screenshot shows the BMNS KART dashboard. It features a blue header with the logo and the text "BMNS KART". Below the header is a "DASHBOARD" section containing several items:

- Dashboard** (with a list icon)
- Online Orders** (with a shopping cart icon)
- Walk-In Invoice** (with a document icon)
- Create Invoice** (with a plus sign icon)
- Show List** (highlighted with a green rounded rectangle)
- Generate Barcode** (with a barcode icon)
- Products** (with a products icon)

The screenshot shows the "Invoice List" page. At the top, there is a navigation bar with a green button labeled "Invoice List". Below it are filter options: "Filter Type" (set to "Date"), "End date" (a text input field with placeholder "yyyy-mm-dd"), and a "Filter" button. There are also buttons for "Show 10 rows", "Copy", "CSV", "PDF", "Print", and "Excel". A search bar is located on the right with the placeholder "Search: []".

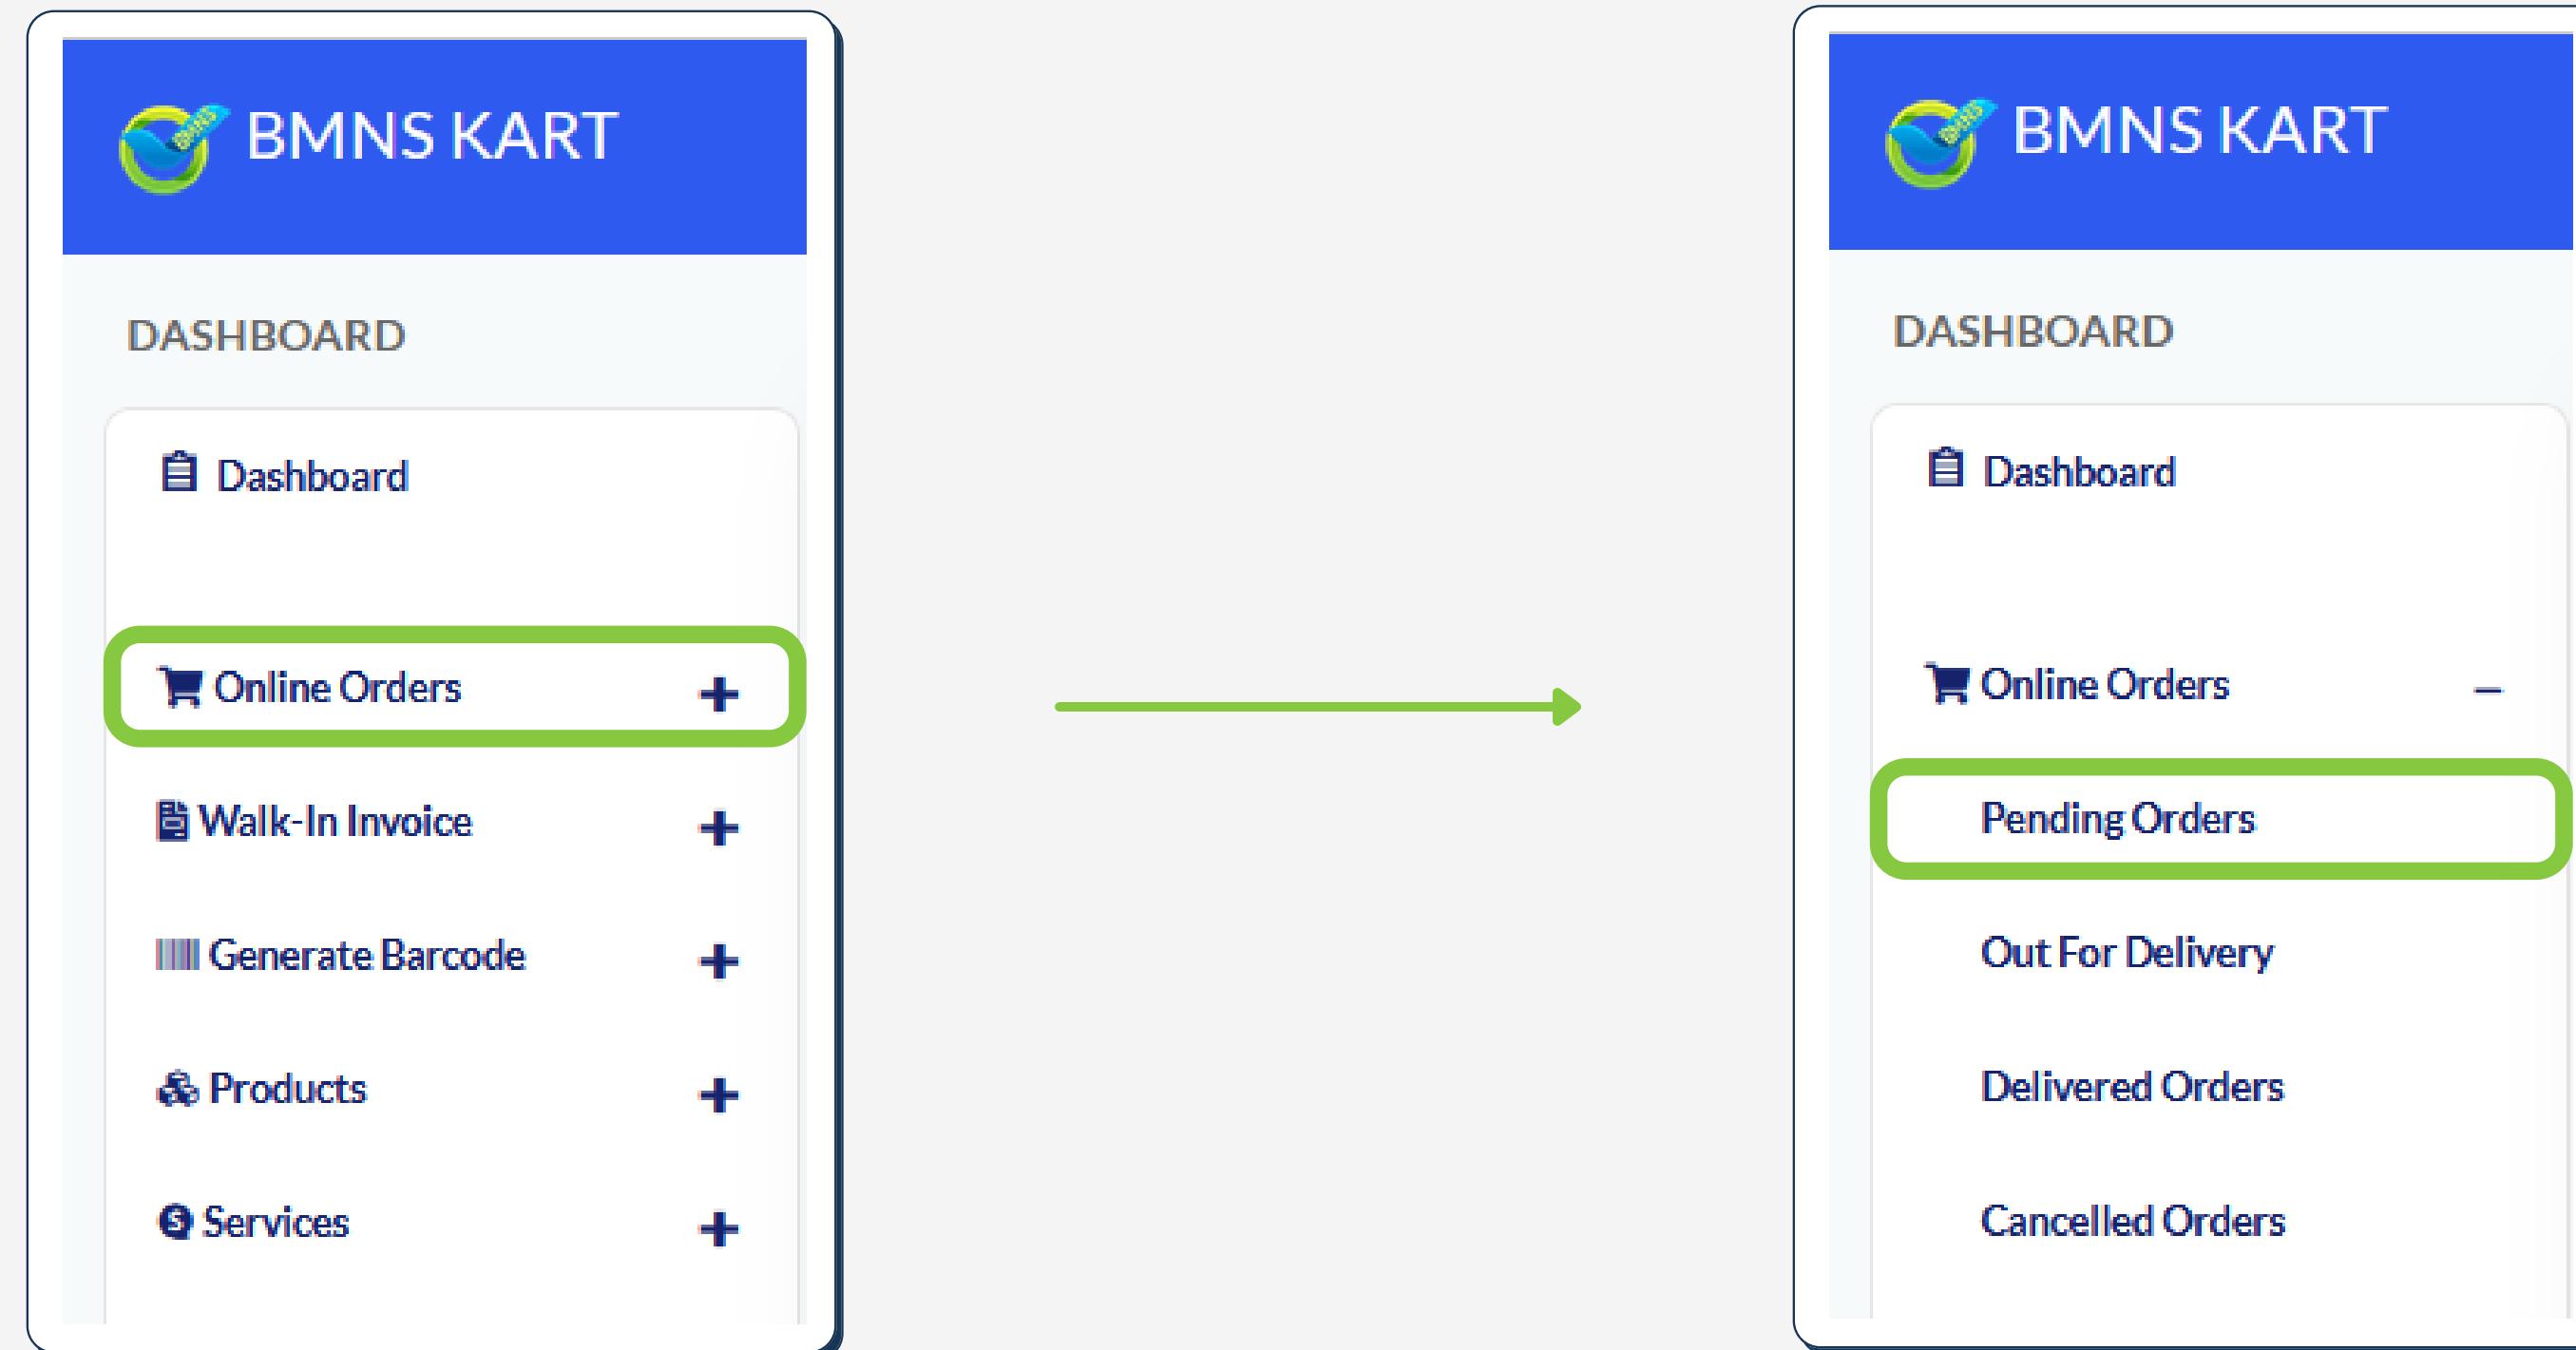

The main area is a table displaying invoice details:

Sl.No	Order Id	Customer Details	Taxable Amt.	GST AMT.	Dis. Rate	Dis. Amt.	Total Payable Amt.	Bill	Action

PENDING ORDER LIST

The screenshot shows a web-based application interface titled "Online Orders / Pending Orders". At the top, there is a navigation bar with a back arrow and the text "Pending Orders List". Below the navigation bar are several buttons: "Show 10 rows", "Copy", "CSV", "PDF", "Print", and "Excel". To the right of these buttons is a search input field labeled "Search:" with a placeholder text area. The main content area is a table with the following columns: Sl.No, Order Id, Customer Type, Customer Name, Customer Mobile, Customer Address, Total Taxable Amnt., Total GST Amnt., Total Discount Rate, Total Discount Amnt., Total Payable Amnt., Added by, and Order Status. The table header includes sorting arrows for each column. A message "No data available in table" is displayed below the table. At the bottom of the table area, it says "Showing 0 to 0 of 0 entries" and features "Previous" and "Next" navigation buttons.

GENERATING Barcode

GENERATE BARCODE

The image shows the 'Generate Barcode' form. At the top, it says 'Home / Generate Barcode'. Below that is a button labeled 'Generate Barcode' with a green border. The form contains several input fields: 'Select Item*' with a dropdown menu showing '--Select Item--'; 'Select Category*' with a dropdown menu showing '--Select Category--'; 'Select Sub-Category*' with a dropdown menu showing '--Select Sub-category--'; 'Select Product Item*' with a dropdown menu showing 'Select Product Item'; and a text input field 'Enter Number of Barcodes*' with a note '(Max No Of Barcode 999 at a time)'. To the right of this input field is another text input field 'Enter Number Of Barcodes'. At the bottom right is a blue 'Generate Barcode' button with a barcode icon.

In this section, you can GENERATE BARCODE for the products particularly.

MANAGE SUB CATEGORIES

MANAGE SUB CATEGORIES

The image shows the BMNS KART software interface. On the left, there is a sidebar with various menu items: Online Orders, Walk-In Invoice, Generate Barcode, Products, Services, Categories, Manage Sub-Categories (which is highlighted with a green rounded rectangle), Coupons, and Employee. A green arrow points from the 'Manage Sub-Categories' button in the sidebar to the corresponding section in the main content area. The main content area displays a form for adding a sub-category and a table for managing existing sub-categories.
